

and more expensive book. Overall I'm happy with my purchase. Customer service from the seller was great too.0 of 0 people found the following review helpful. Guide to First Edition PricesBy JoanneA very useful guide for book collectors and dealers. It gives the latest prices obtained for first editions and many other collectable books. As a dealer, I use the book a lot. I have a hard copy in my shop and another on my kindle (for when I go hunting for bargains). User friendly. Thoroughly recommended.0 of 0 people found the following review helpful. Ideal for collectorsBy EamonGood guide for would-be book collectors. Could probably do with updating at this stage but nevertheless a great tool with top notch information and prices.

This is the 6th edition, now with more than 600 full-color illustrations of collectable books – it's completely revised and updated. Compiled for collectors, dealers and all who love books, this indispensable volume provides a guide to the value of over 35,000 sought-after titles. It includes classic authors from Jane Austen to Oscar Wilde, detective writers from Eric Ambler to Minette Walters, illustrators from Aubrey Beardsley to Florence Upton, and poets from Richard Aldington to Walt Whitman. More than 600 authors and artists are represented, in British and American first editions, limited editions and important, collectable reprints.
