0 of 0 people found the following review helpful. Great bookBy JerryGreat book for history buffs. Especially if you

like military history.3 of 3 people found the following review helpful. oldie but goodieBy S. KlepperThis book is world famous (or IN-famous as the case may be). It is referenced in MANY other books for the last 30 to 40 years at least. I've wanted to get it for many years finally did. If you are interested in the subject this is good to have on your shelf."Up the Republic!?"0 of 0 people found the following review helpful. the fennianBy louI love this book, it's a pice of history. If you are a bit like me, you have a fennian hart in your chest. This is the book for you, its the bible of the irish republican army man. Im a history lover and to me this is a great buy for the revolutionary in all of us.

The original instruction manual for the active arm of the IRA, Handbook for Volunteers of the Irish Republican Army covers such topics as building up resistance centers, organizing and arming a guerrilla force, employing tactics of deception and attack, destroying enemy communications and gaining support of the populace.
