52 years ago, Richard Roat started his hobby of collecting movie material on the Dead End Kids and Bowery Boys. In that 52 years, he has collected all the posters from each film—81 in total—plus lobby cards, half sheets, and a treasures trove of 8x10 pictures. With each new day, Richard discovers more information and uncovers more source

materials about these infamous young actors, with this fourth volume only being the latest of his presentations of over 500 new and rare photographs.
