F. W. Britten, Frederick William Britten : Horological Hints and Helps before purchasing it in order to gage whether or not it would be worth my time, and all praised Horological Hints and Helps:

1 of 1 people found the following review helpful. Great bookBy appraiszerExcellent book - very helpful

Aware of the problems and pitfalls, as well as the frustrations facing the amateur restorer, the author guides and

encourages taking pains to indicate what can go wrong and how to prevent or rectify it.
