Frederick Bart : U.S. Paper Money Errors before purchasing it in order to gage whether or not it would be worth my time, and all praised U.S. Paper Money Errors:

1 of 1 people found the following review helpful. good value, would recommendBy B. EdwardsFast shipping, good value, would recommend0 of 0 people found the following review helpful. Five StarsBy YvonneEasy Reading ..and quick to refer back too :)0 of 0 people found the following review helpful. Five StarsBy trshbuckGreat and received this very fast!

Error notes continue to carve an ever larger niche in paper money collecting. This revised reference offers collectors a comprehensive catalog of known U.S. paper money errors and includes examples of each error and detailed information on paper money printing. Updated values are provided in up to three conditions. Errors are thoroughly described and depicted, including overprint, folding and first and second printing errors. Historical photographs from the Bureau of Engraving and Printing reveal rarely seen images of U.S. paper money workers inside the printing office.

About the AuthorDr. Frederick J. Bart has been a member of the American Numismatic Association since 1973, and is also a member of the Professional Currency Dealers Association and numerous state and regional organizations.
