Bruce Hershenson : Who Goes There? before purchasing it in order to gage whether or not it would be worth my time, and all praised Who Goes There?:

0 of 0 people found the following review helpful. Five StarsBy Paulina i'd love this book, cheap, and with a lot of illustration i cant see in another place1 of 2 people found the following review helpful. better? impossibleBy ana diaz WHEN I BUY THIS BOOK AND I READ IT BY THE FIRST TIME, I became a fan of the whole collection in a second!!3 of 3 people found the following review helpful. AwesomeBy Thomas E. Stazer All of Bruce Hershenson's books are worth a dozen times what he sells them for; flawless, stunning reproductions of great movie posters. Buy them ALL! The one star setback is the tininess of the lobby cards; they deserved better treatment.

Who Goes There? 1950's Horror Sci-Fi movie posters and lobby cards.
