**Chronicle Books LLC Staff : Wonder Woman: 40 Collectible Postcards** before purchasing it in order to gage whether or not it would be worth my time, and all praised Wonder Woman: 40 Collectible Postcards:

Magic books of ancient times were gloriously illuminated with moons, stars, emblems, and secret signs. These unusual and elegant icons are represented on 18 stamps to add a bewitching touch to any correspondence or to embellish a secret diary. The companion booklet explains the intriguing history and symbolism of each image.
