**Mary Hirose : Your Notebook! Winter Journal (Volume 13)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Notebook! Winter Journal (Volume 13):

Playful red and green stripes have fun on the cover of this winter journal/planner. Girls in their homemade snowsuits

get ready to try skiing for the first time. We know their snowsuits are homemade because this picture comes from a 1950s sewing pattern! Mother didn't have as much time to write back then, she was too busy sewing snowsuits for the kids. Wow. I wonder what she would have thought about polar fleece... How about your sewing stories, or winter stories, or skiing stories? Here you go - write them down and enjoy.
