Mary Hirose : Your Notebook! Winter Journal (Volume 14) before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Notebook! Winter Journal (Volume 14):

A winter wonderland calls for cozy mittens and lots of time enjoying the snow. A fun journal with a beautiful deep blue cover and plenty of mittens will get you in a winter mood, and ready to enjoy the season. Although it is difficult

to write with mittens on, this journal or planner will do its best work for you once you're back inside, and your hands are sufficiently warm, and holding a splendid pen. What to write? Thoughts, ideas, plans, recipes, gift ideas, party ideas, hopes for the future, wonderful memories. That should get you started.
